The Christian Outreach Project Rules and Regulations

The following will constitute serious violations of camp rules and regulations established for those attending the Christian Outreach Project:

1. The possession or use of alcoholic beverages or illegal drugs.
2. Possession of explosives, fireworks, or weapons
3. Unnecessary noise or disturbances
4. Tampering with fire fighting equipment or fire alarm systems
5. Destruction of facilities or personal property
6. Failure to comply with staff acting within the scope of their responsibilities
7. Youth participants may not drive person vehicles during the project (including 18 yr. olds)
8. No smoking will be allowed for the week

In respect of others, your activities should be restricted to areas in which you are assigned. Other areas will be off limits. All participants are expected to participate fully in all aspects of the program from Sunday afternoon through the close of activities on Saturday morning. Participants of COP represent the program and are the “face” of COP – as such, participants are expected to dress appropriately at all times, especially when visiting local churches for meals and worship.

Quiet Hours/Bed Times:

In the interest of guaranteeing proper sleep and rest for all participants, everyone must abide by quiet hours and bed times according to program leadership.

These rules and regulations are not meant to be all-inclusive. In all situations, we ask that good common sense be used and proper respect and consideration be given to all individuals.

Violations of project rules or regulations may result in immediate suspension from the Christian Outreach Project.

Youth and Parent/Guardian Covenant

I understand that I must bring a completed health form with a parent’s signature and one copy in order to attend the Christian Outreach Project.

I understand that I am expected to be present for the entire C.O.P project week unless special arrangements have been made in advance. I agree to abide by all the rules and regulations included in the registration information provided by the Christian Outreach Project and my group leader. I understand that breaking the rules may result in my parent/guardian being contacted to remove me from the program. Furthermore, I also agree that by participating in C.O.P. that my image may be used in promotional materials (print, video, web, etc.) related to the Christian Outreach Project.

I have read and understand everything written above, and I voluntarily sign this covenant. (If the participant is under 18 years of age, the signature of a parent/guardian of the participant is required in addition to that of the participant.)
